Degrees

- 2017 - Special Student Program, Physics, Istanbul University, Turkey
- 2016- 2017 Pedagogical Formation Certificate Programme, Istanbul University, Istanbul Turkey
- 2013 - 2017 BSc. Physics, Istanbul University, Istanbul, Turkey

Scholarly activities

- Member of Organizing Committee, 33th Turkish Physics Society International Physics Congress, September 2017
- Member of Organizing Committee, 32th Turkish Physics Society International Physics Congress, September 2016
- Member of Organizing Committee, 5th, 6th and 7th Physic Workshop , Istanbul University, 2015,2016,2017
- Member of Organizing Committee, 9th International Physics Conference of the Balkan Physical Union, August 2016

Awards

Elginkan Foundation (VKV) Scholarship, 2013 – 2017

Computer skills

MS Office programs, OriginLab

Presentation

- Komurcu G. and Yıldırım S., "*Investigation of Electrical, Optical Properties of Electron Beam Evaporated ITO Thin Films*", Turkish Physical Society, 33th International Physics Congress, 2017, Poster Presentation.
- Komurcu G., Kalyon M., Kurt A. and Oktem Y., "*Solar Energy and Photovoltaic Systems*", Turkish Physical Society, 32th International Physics Congress, 2016, Poster Presentation.
