Degrees

2018- MSc. Physics, Istanbul University, Istanbul, Turkey

2012-2016 BSc. Physics, Istanbul University, Istanbul, Turkey

Employment

2014 -2018 Teaching Assistant, Practical Mathematics, ATACA Education and Supervised Ltd. Turkey.

Scholarly activities

4th Physics Workshop, Participant, Istanbul University, 2014.

5th Physics Workshop, Participant, Istanbul University, 2015.

9th International Physics Conference of the Balkan Physical Union, Participant, Istanbul University, 2015.

6th Physics Workshop, Registration Committee, Istanbul University, 2016.

Advanced Physics Poster Session, "Synthesis and Structural Characterization of ZnO Nanostructure", 2016.

Research Areas

Production of ZnO semiconductor thin films especially Vapor Liquid Solid (VLC) Synthesis Technique, Structural Characterization (SEM, AFM, EDS).

Computer skills

MS Office programs, Microchip MPLAB, Photoshop, Origin.
